### RECOMMENDED USES

Commercial  
Residential  
Interior Wall  
Fireplaces  
Shower Walls

**PRODUCT CONTAINS  
≥35% PRE-CONSUMER  
RECYCLED CONTENT**

The Brillo series is a rectified glazed ceramic wall tile. As a simplistic, minimalist tile, it can be used in a variety of environments. A glossy finish on the surface of the Brillo series gives it a modern aesthetic that elevates your design. This series is suitable for residential and commercial applications.

It is recommended to use a coordinating grout color for this series, contrasting grout colors are not recommended. For proper bonding, LFT/LHT mortar for large format and heavy tiles should be used when installing tiles with a dimensional length greater than 15 inches, and rectangular shape and plank tile, per industry standards. Proper thinset coverage is also necessary, and in some cases, back buttering of tile may be required.

When installing rectangular or square tiles 15 inches or longer with a staggered joint, it is recommended that the offset should not exceed 33%, unless otherwise specified by the manufacturer.

For packaging information, please contact your local Arizona Tile.

Please view actual material when making your selection, as the images on this page are only representative.
