SPO	✓	✓	✓			✓	✓
PTN	✓	✓	✓			✓	✓

* 4" or less in both length and width, UPS or UP mosaics

** Excludes mesh mounted mosaics. Crossville recommends face mounted or edge mounted mosaics for fully submerged applications. Contact your Crossville sales representative for more information.

NOTE: Trim applications will differ from field tile applications for the same series.

For more information on ANSI- A362.3 visit our website at https://www.crossvilleinc.com/Resources/Tile-101/DCOF?tab=1

Recommended Use

Shades 2.0 is recommended for interior floors, interior walls, countertops, exterior walls, pool waterlines and full linings† in both residential and commercial applications. Shades 2.0 is not recommended for exterior horizontal surfaces or exterior paving. **The semi-polished (SPO) field tile is not recommended for wet areas where standing water may occur.** See CrossvilleInc.com for detailed installation instructions.

† Excludes mesh mounted mosaics.

Wet area use for Shades 2.0 1 x 3 SPO and 2 x 2 UPS Mosaics

Crossville® produces the Shades 2.0 1 x 3 mosaics with a semi-polished (SPO) finish and the 2 x 2 mosaics in the UPS finish. The ANSI A326.3 wet Dynamic COF of Shades 2.0 is ≥.42. Their small 1 x 3 and 2 x 2 size ensures frequent grout joints which provides traction and drainage. Crossville cannot control situations involving incorrect installation, improper slope to the drain for elimination of standing water and poor surface cleaning. This information is provided so that customers may make a realistic and informed decision when comparing Shades 2.0 to other tile products in wet area environments, such as residential/commercial bathrooms, showers, and interior pool decks.

Care and Maintenance

Regular cleaning is the best way to keep Shades 2.0 tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth. No waxes are needed. More information regarding the care and maintenance of Crossville® products is available at CrossvilleInc.com.

Our Warranty

Crossville Inc. guarantees that its products will meet or exceed the performance specifications outlined in ANSI A137.1 and in the performance data section of the Crossville, Inc. general product catalog. For complete details check our website at CrossvilleInc.com.
