

Cotto Moderno

Porcelain Stone®

Cotto Moderno

Porcelain Stone[®]

Revitalizing age-old craftsmanship into a look that is distinctly today, Cotto Moderno from Crossville brings forth the essence of the earth transforming raw materials into art. Bold brush strokes and undulating colors fluidly highlight unique textures across a variety of shapes and sizes for both floors and walls

For interior floors, all walls, and water lines, two 8" hexagon formats and a unique 2"x16" porcelain tiles bring visual texture to contemporary interiors. For walls only, Crossville offers an undulating 3"x10" ceramic brick that feels as if made by hand.

Available in four clay and terracotta tones, Cotto Moderno is anything but traditional. The bohemian style and artisanal make up of each unique tile bring nature's energy to your vision.

3 x 10 Undulating Wall Brick*	70 x 260	7	1/16	Unpolished

All field tile is calibrated (non-rectified).

* This ceramic tile is for wall use only.

Care and Maintenance

Regular cleaning is the best way to keep Cotto Moderno tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville products is available at CrossvilleInc.com.

Recommended Use

Cotto Moderno is recommended for interior floors, interior walls, countertops, exterior walls, pool waterlines and full linings in both residential and commercial applications. The 3 x 10 Undulating Wall Brick is to be only used in interior walls in wet or dry areas. See CrossvilleInc.com for detailed installation instructions.

Unpolished	0.60 - 0.70	NA	ANSI A326.3

Shade & Texture Index

Cotto Moderno has a shade variation of V4.

V1	V2	V3	V4	V1 Uniform appearance
				V2 Slight Variation
				V3 Moderate Variation
				V4 Substantial Variation

This tile product is produced with a V4 variation. Random color and/or texture differences from tile to tile, so that one tile may have totally different colors and/or textures from that on other tiles. Thus, the final installation will be unique. It is recommended that the range be viewed before selection.

Recommended Use

Cotto Moderno is recommended for interior floors, interior walls, countertops, exterior walls, pool waterlines and full linings in both residential and commercial applications. The 3 x 10 Undulating Wall Brick is to be only used on Interior walls in wet or dry areas. See CrossvilleInc.com for detailed installation instructions.
