

This unique collection is comprised of four colors, a dramatic fluted wall tile and two matching decos. The versatility in the collection allows for the products to be mixed and matched or used individually to create a one-of-a-kind aesthetic. The muted color palette which coordinates effortlessly between styles includes a gorgeous array of the most popular earth tones. Its glossy finish with tonal variation and textural dimension is sure to add a handmade aesthetic to the space.

**Pagoni Cirio has the true qualities of an artisanal tile and its irregular pattern may not always match up from tile to tile.

Product and Installation Details | ANSI A108.02
Section 4.3.8.2 - For running bond/brick joint patterns utilizing tiles (square or rectangular) where the side being offset is greater than 18" (nominal dimension), the running bond offset will be a maximum of 33% unless otherwise specified by the tile manufacturer. If an offset greater than 33% is specified, specifier and owner must approve mock-up and lippage.
