Look

Small precious surfaces shape Look, a ceramic collection that reinterprets tradition with contemporary sensitivity. The range includes 10 colours in shades of white, green, light blue, blue, black, yellow and beige, in the 6x24 size. The collection is completed by the Yubi 3D structure and surfaces marked by subtle nuances and glossy glazes. Ideal for warm and personal interiors, it brings luminous vibrations and clearly visible handcrafted materiality to spaces.

LOOK COLLECTION

Technical Characteristics

Frost proof

Resistance deep abrasion

Destinazioni d'uso

D

Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.

E

Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.

F

Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

G

Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.

H

Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.

Color variations

V0

Monochromatic - V0: tiles of the same shade are very uniform, in just one colour

V1

Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run

V2

Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

V3

Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material

V4

Ubstantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
