

DYMO WHITE CERAMIC TILE

The Dymo Ceramic Tile Collection offers a sophisticated selection of 12” x 24” tiles featuring one classic design alongside three unique 3D patterns. Each tile creates a bold, dimensional effect, providing endless design possibilities for adding movement and depth to any space. Whether you choose to mix or match the patterns, the dynamic textures elevate the look of walls in kitchens, bathrooms, and more. From every angle, the striking designs capture attention, transforming your space into a modern focal point.
