GRIDSCALE CERAMIC TILE - MSI SURFACES

Offering upscale concrete looks in a durable ceramic tile, MSI's Gridscale Collection is modern minimalism at its best. In four equally handsome hues all with a sophisticated matte finish, Gridscale is a cost-effective way to add a touch of urban-chic to your interior space. From bathroom shower walls and kitchen backsplash to bedroom floors and beyond, choose Gridscale 12x24" and 2x2" tiles to create a cohesive aesthetic throughout your space.
