NAPA CERAMIC TILE COLLECTION

Inspired by cross cut travertine, the Napa Ceramic Tile Collection offers a beautiful natural stone look in affordable and virtually maintenance-free ceramic. This matte finish collection features gorgeous go-with-anything-hues, including light and airy gray, warm beige, and rich brown, in some of today's most sought-after sizes. From ever-popular 12x24 tiles, to on-trend 13x13, 20x20, and accompanying 2x2 and bullnose trim—on floors, walls, countertops, and backsplashes—the Napa Collection makes it easy to achieve a cohesive, designer look.
