

OXIDE PORCELAIN TILE COLLECTION

Express your signature style with the Oxide Collection. This 12" x 24" and 24" x 48" large format porcelain tile is offered in four equally stunning colors, each with a unique distressed metallic-look finish for lasting visual impact. Durable enough to stand up to the most well-traversed floors, this collection also adds interest and depth to backsplash, walls, and countertops. Whether you're going for that edgy industrial look or one that's more conventional, there's a place in your home for the Oxide Collection.
