

URBANO CERAMIC TILE

The Urbano Collection makes a style statement in a palette of cool and calming muted hues, like subtle creams, grays, and concrete-looks—all the way striking black. These 4x12” glossy wall tiles have an authentic hand-crafted look and feel that give your kitchen, bath, living room, or other interior space a touch of contemporary detail. In six time-honored solid colors as well as 3D mixed patterned tiles in every color featuring designs of zig-zag, rope, herringbone, and more, Urbano is the essence of affordable chic.
